Project Summary

Overview

TN Tech has nearly doubled its amount of externally-funded research from $11 M in 2015 to $20 M in 2020, and plans to reach $40 M of externally-funded research by 2025.

Intellectual Merit

The acquisition of *Warp 1* will enable research projects aligned with four of NSF's 10 Big Ideas.

Broader Impacts

TN Tech has a strong history using HPC in workforce development at all levels.
