

Project Summary

Overview

TN Tech has nearly doubled its amount of externally-funded research from \$11M in 2015 to \$20M in 2020, and plans to reach \$40M of externally-funded research by 2025.

Intellectual Merit

The acquisition of Warp 1 will enable research projects aligned with four of NSF's 10 Big Ideas.

Broader Impacts

TN Tech has a strong history using HPC in workforce development at all levels.
