

## **Project Summary**

### **Overview**

TN Tech has nearly doubled its amount of externally-funded research from \$11 M in 2015 to \$20 M in 2020, and plans to reach \$40 M of externally-funded research by 2025.

### **Intellectual Merit**

The acquisition of Warp 1 will enable research projects aligned with four of NSF's 10 Big Ideas.

### **Broader Impacts**

TN Tech has a strong history using HPC in workforce development at all levels.
