## **Project Summary**

## Overview

TN Tech has nearly doubled its amount of externally-funded research from \$11 M in 2015 to \$20 M in 2020, and plans to reach  $$40 \,\mathrm{M}$$  of externally-funded research by 2025.

## **Intellectual Merit**

The acquisition of *Warp 1* will enable research projects aligned with four of NSF's 10 Big Ideas.

## **Broader Impacts**

TN Tech has a strong history using HPC in workforce development at all levels.
